To whom it may concern

I know Mr. **Kemal Ahmed** since 2013 E.C. He was the student of Hydraulic and water resources engineering department. He is intelligent and hard worker; he works different project and other activity in course related to Hydraulic and water resource engineering program during he has been with us.

He is polite, knowledgeable and decent person. He was an outstanding student in UG degree and has excellent capability in **Coordinating students' team of water resource project and bachelor thesis.**

He is professional well matured; hard worker and sincere to his duties and responsibilities even under pressure and time constraints. Indeed, the specialization of Hydraulic and water resources is going to help him to develop his educational and practical skills.

He is sincere, hard worker and organized in completing the task on time. He is very adaptive to any kind of living and academic environment. And also, he is fast learner and innovative. Because of that I strongly recommend Mr. **Kemal Ahmed** candidature in your esteemed organization in which he has applied and wish him all success in life.

Yours sincerely

Subject: Letter of Recommendation

Dear Sir/Madam,

I am pleased to write this letter of recommendation in reference to **Mr. Kemal Ahmed Gobe** whom have known as a student in the Department of Hydraulic and Water Resources Engineering, Haramaya Institute of Technology, Haramaya University.

I had an opportunity to teach him two courses namely Hydropower Engineering-I and Hydropower Engineering-II; his performance in both courses was an excellent and his overall performance was the one of the tops among his batch.

To tell the fact, **Mr. Kemal** has a very good capacity of accomplishing works and assignments quickly and efficiently. In my view, his academic know-how, competence and commitment to her work, definitely make him one of my remarkable students.

Besides, he always updates himself through reading, attending schools and trainings. I am convinced that he will put forth all his effort into any endeavour. Taking into account his eagerness to learn, I am proud to have the opportunity to recommend him for any job opportunity in his field of study which could enhance his future contribution towards the development of the national water sector in general.

With kind regards,

Mr. Arus Edo

To Whom It May Concern

Re: Letter of Recommendation

I am pleased to present my views on **Mr. Kemal Ahmed** whom I have known for the past five years as my student in Department of Hydraulic and Water Resources Engineering, Hařamaya University, Haramaya Institute of Technology. I taught him the course of **Dam Safety and Instrumentation** and also, I was his Water Resources Project Design Advisor in which he has performed extremely very well. He was a talented hard-working young man, highly energetic and dedicated to his studies which enabled him to complete with very good results in academic performance.

He was very sincere, enthusiastic to learn new technologies and to develop his knowledge in his profession. Furthermore, he has a decent personality, respectful of his instructors, classmates, and other members of the Institute.

His inherent ability to reason out things from basic concepts, his diligence and his analytical approach in problem solving and above all pragmatic programming perceptibility makes him an ideal candidate. His ability to motivate others, while working for common goal, was also found to be excellent.

I can confidently speak that **Mr. Mr. Kemal Ahmed** is very well capable of discharging any responsibility given to him in the area of his field of study to the best satisfaction of potential employers. He is a very prudent young man with a strong sense of responsibility. I, therefore, take the pleasure of recommending him for job opportunities and further studies he may have to apply for employment/studies in his field of specialization. Wishing him all the best in his future career.

Recommendation Letter

TO WHOM IT MAY CONCERN

I am writing this letter of recommendation on the behalf of **Mr. Kemal Ahmed**. I knew him as under graduate student in the department of Hydraulic and Water Resource Engineering, Haramaya Institute of Technology, Haramaya University, Ethiopia. I had the opportunity to teach him three courses, **Soil mechanics I, Foundation Engineering and Rock Mechanics and Tunneling**, and thereby, assess his academic performances. He has scored Very good grades in those courses. Besides, the nature of the questions he poses during the lessons indicates that he tries to grasp the concepts with finest details.

Mr. Kemal Ahmed also has a high team work spirit and good behavior, very humorous but firm in his stands, which played an important role to his success in his past endeavors. I confidently assure that **Mr. Kemal Ahmed** has the potential to withstand the rigors of high level of study in competitive environments of international universities.

Regarding his qualities, I am sure that he will be able to follow further studies and to perform exigent professional activities in the Hydraulic and Water Resource Engineering. I recommend Mr. Kemal Ahmed with full confidence regarding a new opportunity in his professional career.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.
